

Madison 26

2,069 sq. ft. | 3 Bedroom | 2.5 Bath | 2 Car Garage

The Madison 26 combines open, airy living with the flexibility families need. Offering 2,069 sq. ft., three bedrooms and 2.5 bathrooms, its thoughtful layout creates comfortable places to gather, work and recharge. The kitchen and central island connect naturally with the dining nook and family room, creating an inviting space for everyday meals and time together.
A front flex room can adapt as a home office, study or quiet retreat, while the mudroom provides a practical transition from the double garage. Upstairs, an open-to-below design brings an added sense of space and natural light. The primary bedroom features a spacious ensuite, while two additional bedrooms share a full bathroom. A central bonus room and convenient upper-floor laundry complete a home designed to make daily life feel easier.

Some options and personalization may require additional charges and changes in square footage.

More Personalization

A **More space to call your own.**

Create three spacious primary bedrooms, each designed with comfort and privacy in mind.

B **A more welcoming way in.**

Enjoy the flexibility of a side entry that makes coming and going smoother, from busy mornings to welcoming family and friends.

C **More space for those who matter most.**

Create additional rooms that grow with your family and changing needs.

D **Double the space to gather.**

Add a second island for more room to prep, serve and spend time together.

E **Made for gathering.**

Enjoy more space to prep, pull up a seat, and spend time together in the heart of your home.

F **A smarter way to stay organized.**

Connect your pantry and mudroom for easy access and a more seamless flow through your home.

G **Keep prep behind the scenes.**

Add a walk-through spice kitchen for a dedicated space to cook, prep and keep things organized.

H **A little more function goes a long way.**

Add the convenience of a main-floor full bathroom for greater flexibility in everyday living.
