Windsor

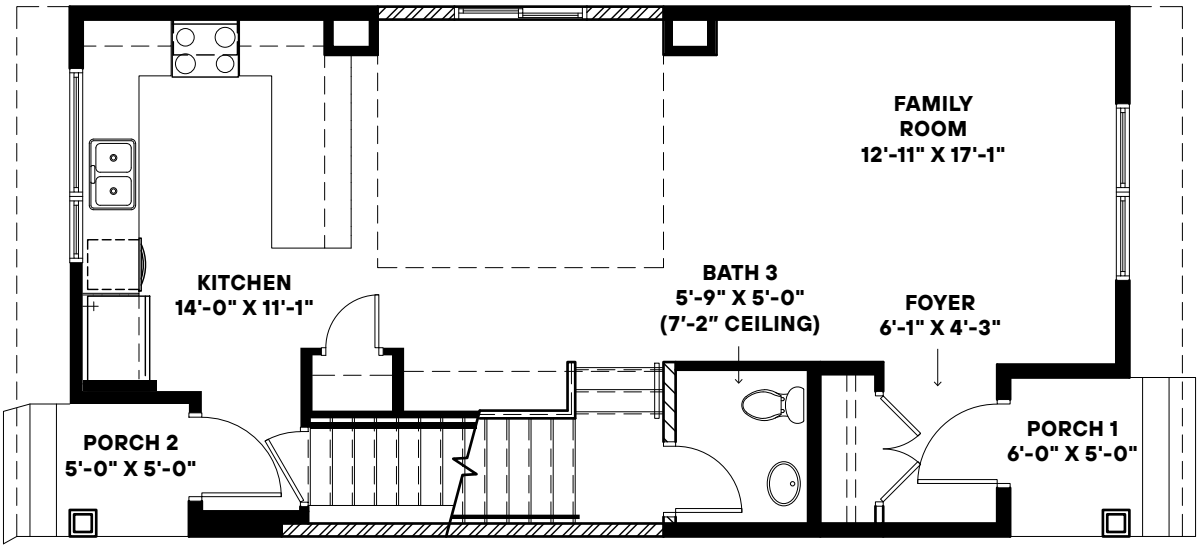

1,521 sq. ft. | 3 Bedroom | 2.5 Bath

The Windsor makes smart use of its 1,521 sq. ft., with an open, welcoming layout designed for time together and space to recharge. On the main floor, the kitchen and island flow naturally into the dining nook and family room—keeping everything connected, whether you're making dinner, helping with homework or catching up at the end of the day. A convenient powder room adds everyday ease. Upstairs, three bedrooms give everyone a comfortable place of their own. The primary bedroom includes a private ensuite, while a second full bathroom serves the additional bedrooms. An open-to-above design brings an airy sense of space to this thoughtfully planned home.

More Personalization

A **More space for the people who matter most.**

Create additional rooms that grow with your family and changing needs.

B **Your lifestyle isn't one-size-fits-all.**

Personalize your home with a versatile space and extra closet designed around how you live.

C **Designed with both of you in mind.**

Add generous, dedicated closet space for a more organized primary suite and a little more room to call your own.

D **Room to grow.**

Whether it's kids, guests, or hobbies, additional bedrooms give you flexibility for years to come.

E **A layout that works for you.**

Reconfigure your bathroom to create a setup that better suits the way you use your space.

F **More storage. Less clutter.**

Add practical storage that keeps everyday essentials organized, tucked away, and easy to reach.

G **A little more room to come home to.**

Add space and thoughtful function to your foyer for a more comfortable transition in and out of your home.

H **Future-proof your home.**

Whether it's kids, guests, or hobbies, additional bedrooms give you flexibility for years to come.

I **A more welcoming arrival.**
